THOUGHTS

We finish school tomorrow with our Passion Plays at 2.00pm in the Mission Centre.

During this break we lead up to the memory of Easter the heart of Catholic belief that Jesus died and rose again to show us victory of life over death. Please involved your family with as much of the Easter Mass celebrations as you can.

The 25th April– ANZAC Day falls in the break and this day seems to have some amazing focus for young people and old alike. This understanding of sacrifice and dying for your beliefs seems to be a mystery that is understood. Where possible, join in these ANZAC celebrations with your families.

This week we farewell Kate Parker (Rm 5) who leaves to continue her teacher training next term. We wish you well and thank you for the difference you have made with your work here. We also farewell Jack Hamilton (Rm 6) who is moving to Tauranga with his family.

Relax over the holidays and arrive for the winter term, refreshed and ready for a new term!

Kind regards

Peter Callanan (Principal)

Lent 2014

“Thy will be done on earth as it is in heaven.”

Luke 11:3

Dear Parents & Caregivers

Last Thursday we had ‘Live Simply Day’ which proved that at St Anne’s we are a caring and giving school community. \$205 raised will be sent to CARITAS along with any other donations as we approach the end to the Season of Lent. Thanks for your encouragement and support of this activity.

This week marks the beginning of Holy Week and last Sunday we celebrated Palm Sunday. On Thursday the whole school will gather to commemorate the Passion of Our Lord where each class will retell the significant events of the suffering and death of Jesus on the cross.

May we grow in grace, wisdom and understanding through the mission of the Holy Spirit. May we bring justice and truth into the lives of those we meet.

May God bless you with joyful Easter and safe holidays.

Grace Reddy (DRS)

HELPING THOSE IN NEED

On Sunday the 13th April my family and I went to Riccarton Market. We were there to fundraise for my country, the Solomon Islands. I was welcoming everyone in. I was wanting people to buy our food or give a donation. The Solomon Islands ladies and Mum and I baked lots of cakes and biscuits. We put them on the table at the market. We were selling them from 9.00am until 2.00pm. At 2.00pm there was a nice man who bought everything that was left. After selling everything my mum and dad said that we had made a lot of money for the Solomon Islands.

Junior Neighbourhood Support

Last Friday during our lunchtime we met with Andrea and Mrs Reddy to discuss how we can encourage the children at school to be good citizens and kind neighbours. We will be putting up a poster display in the foyer to show you the things children can do to get an award. Please read the information and we will keep you updated. We look forward to some good nominations next term.

Have great holiday.

St Anne's Cross Country 2014.

On Friday 11 April Rooms 2—6 walked to Woolston Park. The rain decided to stop for an hour or two and racing was very close. A big thanks to all those who helped and came and supported.

Perceptual Motor Programme (PMP)

Parents, caregivers and friends of St Anne's School, this call is for you!

We NEED help to continue this very successful programme in Terms 2 & 3.

The students will be climbing, crawling, jumping and catching etc as they move around activity stations. GREAT FUN!!

In order to stay safe, we need help to supervise the activity stations

during our twice weekly sessions. So if you can offer us either 30 or 60 minutes each week we need help for any, some or all of these times please:

Tuesday	2.00-2.30pm (Rm 2)	Wednesday	9.00-9.30am (Rm 1)
	2.30-3.00pm (Rm 1)		9.30-10.00am (Rm 2)

We will have a short meeting before we start to explain what you will be doing.

You don't need to be a rocket scientist, brain surgeon or even have children in Rooms 1 or 2, just an interest in helping our young people develop all the skills needed for school life and sports, along with the necessary language.

Thanks

Cathy & Marian
