The End!

What an amazing start to the year we have had. The classrooms are humming along and already have made some big learning gains and have established some great relationships within them.

We thank the student teachers for all of the effort they have put into the classrooms they are in. It was great to see them stepping up, and getting involved in our professional development. Ka tau kē! We wish them all the best!

Baptisms

Over the past week and again in two weeks time, the school will have had a total of 12 baptisms of current students and siblings of students. The school was lucky enough to attend some of these on Wednesday and learnt what happens and what it symbolises (a reminder for those who were baptised as a baby). A big thanks to Fr Dan for his efforts in making these memorable occasions. If you are interested in baptism and missed out on this occasion, I will let you know when the next preparation session is to be held. Perhaps just let me know if you are keen or want to know more.

Holidays!

We wish you and your families a great break from school and look forward to seeing the students again in a few weeks.

Have a safe and blessed Easter.

Sharyn works in room 2 supporting two children. She is always busy and looking for ways she can support them like playing games, preparing resources, and reinforcing what has been taught.
Mrs Jones

Support Staff are absolutely crucial to making our classes work as well as they do. Their care and expertise helps make sure everyone has what they need to learn. Our classes would not be the same without Denise.
Mr Halkett rm 4

Thank you for helping me when I struggled talking and also when I needed help and always being there for me. From Tylah

Shelley helps me if I have an injury. Taylan

To Denise, Sharyn and Miss Grice, thank you for helping me all the years when I struggled with life.
From Charlotte

We are both teacher Aides who work alongside teachers within the classroom. Sharyn works mostly in the junior School and Denise in both levels of the school.

We have undertaken specific training to assist children with special needs and provide liaison between school, teachers and home. We are always trying to support the teachers in delivery of classroom programmes and additional support for some learners.

We need your support to petition the government to unfreeze the funding or pay support staff from central funding like teachers. You can sign the petition for 'Better Learning' and 'Support Success Mahia Kia angitu' online at www.nzei.org.nz/NZEI/Campaigns/Support_Success; or fill in a speech bubble form from the foyer and hand into the office. These will be sent off to the government.
