## 1906 - 2016

*discovering our past, living our present, inventing our future*

Tālofa lava! Afio mai!

Samoa language week / Vaiaso o le gagana Sāmoa takes place this year between 29 May and 4 June. The theme for 2016 is E felelei manu, ae ma'au i o latou ofaga – Birds migrate to environments where they survive and thrive.

At St Anne's, we do all we can to help the students here to thrive. The Samoan students of the school have come together and have organised some exciting activities for the week to celebrate the Samoan Culture.

# Special Character

**Congratulations** to the children who made their First Holy Communion on Sunday. Please remember them in your prayers.

## Building Memories

We had a wonderful celebration for Catholic Schools Day. The atmosphere was great and there was a real team spirit. I'm sure the mud run (Grit Grunt) will be remembered for a long time by all the children who participated in it. Even the most reluctant were drawn into the whole muddy experience.

Creating memories is a marvellous thing to do for our students but often the best memories are what we did with our families. Most of my fond memories didn't involve much money - visiting a favourite park regularly or the Sunday ritual of pikelets at my grandparents house after church.

Share with your children some of your favourite memories and bring out the old photos. Ask them what their favourite memories are and come up with some ideas to create some more.
