## **LAST NEWSLETTER EVER !!!** (Well, paper one anyway)

Kia ora koutou, talofa, kamusta

**Words of the week:** rorohiko / computer (roro=brain, hiko=electricity)  
iPapa / iPad

### **Farewell!!!!!!**

I'm not going, but this paper newsletter is.

Why? Environmental reason— Brought up by the students, currently we use about 6000 pieces a paper a year on newsletters. This doesn't fit with our waste free, environmentally friendly stance. Many of these don't even make it home (lost etc).

Why? Cost reason—This change will also reduce copying costs and in turn more money for other things. When we went 'waste free' for lunches, within a year, I was able to buy new sports equipment for all the classes with the money saved from skip emptying costs. Same applies here.

Why? Cultural reason—In Māori (and many Pasifika) terms, all living things, including the natural and physical resources, possess a mauri (life principle or life force). Each iwi has responsibilities and obligations (mainly in its own area) for environment management of the taonga (important resources). Therefore, tree use, merely for the convenience, doesn't sit with the tikanga of managing the taonga of our forests and wildlife within them.

### **What will we do?**

We will be sending information through the 'Skool Loop' App. This can be downloaded via playstore. Just search for our school.

### **Sections of Skool Loop:**

*Newsletter:* Have a look! We have started getting use to this. Here you will find interesting things about what has been happening or will happen. I.e. the majority of the normal newsletter. New content will be up loaded, usually on a Wednesday.

*Calendar:* Scroll through, see what is happening that week and throughout the term

*Contacts:* Links to website, Facebook, parents Facebook page etc.

*Absentee:* Click on to send a text or email re absentees

*Notices:* Whenever we need to get a note out, it will go on here (some don't have Facebook / social media)

### **This is great for school wide stuff but how do we contact the teacher?**

The best ways to do this are 'Seesaw', e-mail or if you are picking them up, face to face chats.

### **How much does Skool Loop cost the school?**

Nothing. No tricks. You may see a local business advertising down the bottom of each page. This income keeps Skool Loop free. If you have a business in the area and are keen to support Skool Loop. I can point you in the direction.

God Bless

Dallas Wichman— Tumuaki

# Pentecost

Pentecost always occurs 50 days after the death and resurrection of Jesus, and ten days after his ascension into heaven. Because Easter is a moveable feast without a fixed date, and Pentecost depends on the timing of Easter, Pentecost can fall anywhere between May 10 and June 13. This year we celebrated Pentecost on Sunday 9 June. The name of the day itself is derived from the Greek word *pentecoste*, meaning 50<sup>th</sup>. Pentecost is the celebration of the person of the Holy Spirit coming upon the Apostles, Mary, and the first followers of Jesus, who were gathered together in the Upper Room.

*"A strong, driving wind filled the room where they were gathered, and tongues of fire came to rest on their heads, allowing them to speak in different languages so that they could understand each other."*

The Holy Spirit also gave the apostles the other gifts and fruits necessary to fulfil the great commission - to go out and preach the Gospel to all nations.

Next term we are looking to start a new class option of rock band groups. Unfortunately, the stomp group hasn't attracted enough ongoing interest to have these classes in Term 3 but we would like to encourage parents of current stomp children to consider enrolling them in rock band projects. This would be where they play percussion instruments along with a guitarist, keyboard and singer in a group situation. Move over Phil Collins the next generation of drummers and percussionists are coming through! We will be in touch directly with these parents. If you were thinking about stomp or are interested in this please let us know asap.

***Instrument Options for Term 3:***

Ukulele, Guitar, Band (Audition/selection basis), Singing, Piano, Individual Lessons
