Before and after school care at St Anne's

The Board of Trustees have chosen a supplier of a before and after school care group. This will be for our students only and will equal the price of MASH. The 'red tape' is being sorted but we hope to start early next term. We will let you know when enrolments can be made.

Spring Fair

What an amazing success! We are in debt to Penny and Jasmine of the PFA for leading the way in this venture. Thank you to all of our parents, grandparents, parishioners, members of our community, students, and staff for their help in making the fair the success it was. Watch out next term for some exciting things to come from the funds raised.

We give a huge thanks to these businesses and people who were generous with support for our fair. We ask you to support them in return. *(if we have missed anyone, please let us know)*

Special Character

We thanked God for all the beautiful colours in the world at our assembly.

Sunday was no ordinary day!

On the 18th of September our school had a Spring Fair to raise money for a new playground. The children and staff and some parents helped prepare for the fair and got everything ready for the day. The fair went on for 2 and a half hours, it started at 11:30am till 2pm.

There were a lot of stalls and activities. Some of the activities were Fizzy Fishing, Pony rides and Bouncy Castles. There was a Filipino Fusion Stall where they sold Filipino food and there was also a Sausage Sizzle. There were so many stalls you could go to.

There were a lot of students from St Anne's that went and helped with stalls. I had a stall that I helped with, it was called the Unique Boutique. I wasn't the only person on the stall I also had Talia, Ruby and Chloe with me. We sold beauty products that we had made ourselves.

I thought that it was a great idea to have a Spring Fair to raise money for the school.

Sunday Was No Ordinary Day

I was sleeping soundly when suddenly I heard Ada Ada Ada. It was my baby brother (Mo) he opened the door and suddenly I realised what the time was— it was 9.30 am. "OMG I've got one hour to get ready for church and the Spring Fair" I yelled. When we got in the car it was 10:00 am, that's right, we took half an hour just to get ready. We raced to church. We got to church but then, suddenly my brother started crying so I had to take him out for the rest of the Mass.

Finally it was the time I was waiting for, we went to school for the Spring Fair. As soon as we got there it was over packed with people. I walked in to find the most amazing pair of singers, and only to find out later that it was Mrs L and her friend. Personally I thought they sung beautifully. Then I moved onto the stalls, there was a variety to choose from, I couldn't wait to start shopping. Firstly I went to the art store and bought my siblings and my own painting for \$3. Then moved on to the 'Unique Boutique' where I bought a lip scrub

I thought that this spring fair was going to earn a lot of money for our school. I thought we would earn about \$5000. Next was the auction, and boy was it intense. I thought the highlight was when it was between Chloe's dad and Luke's mum, but Chloes dad won. The auction was amazing. I love how they sold a lot of Pokémon paintings, because at the moment it's trending. I thought that it was a nice spring fair, especially with the Filipino food, it was good to try something new. In fact, I thought that this was the best spring fair yet.
