

ST ANNE'S

CATHOLIC SCHOOL

15 DECEMBER 2016

This has been a great year for our school. So many successes and things to be proud. We have introduced our model of the student we want to leave our school as.

- ◆ A child who is determined and doesn't give up when things get difficult. They believe they can achieve what they need to. **(GRIT)**
- ◆ A child who lives their faith through what they do. They show love, care, forgiveness and compassion yet also fight for justice! **(Gospel values)**
- ◆ A child who knows what they are learning, how they learn best and what they can do to learn more. Who has more ownership in the partnership of learning. **(Regulated learner)**
- ◆ A child who is creative and looks for solutions **(Innovative/initiative)**
- ◆ A child who can learn with others and be an effective group member **(Team player)**

Our students are working towards this and you should see how close they are by their reports.

We have had record enrolments this year. Everyone I have shown around the school has commented on the friendliness of our students and staff. I have purposely spent longer than most Principals in the classrooms when showing visitors around so that they notice how amazing we are. I also believe this is the case due to our outstanding staff. The words 'bare minimum' do not exist here and I am so proud of this. Apart from the great teaching (as if this is not enough) they also add value in kapahaka, choirs, leading professional development, enviro groups, leading our special character, orchestrating our support staff and learning, appraising and supporting staff. We are also lucky to have wonderful support staff working alongside our teachers. Everyone contributes to these important jobs and we thank them for everything they do.

Following the Trustee elections, we have a mix of enthusiastic new members alongside a number of dedicated existing members which ensures continuity. It is reassuring to know that they all have the students' best interests at heart. We thank them for all the 'behind the scenes' work they do.

Our PFA blow me away. They are so dedicated to helping the school and did a phenomenal job introducing a school spring fair this year. It was an amazing day! Their fundraising efforts this year reduced the cost of swimming to parents by half of what it would have been; purchased the slide; ran a disco; and are currently funding a scooter area and hopefully basketball hoops. A great group for parents to be involved with. You are amazing!

We say goodbye to Sarah Lean-Massey and wish her all the best for her new position at Rawhiti School. Sarah has done a great job in Room 4 this year and her 'Saints & Singers' have been a great asset to the school. We thank Sarah for sharing her talents with us.

To those parents who have said to me about how busy and full on our school programme is, spare a moment for Shelley. Every change, development or event that happens (see Facebook for the continual line of learning opportunities) she has helped organise, get quotes, get permission, collated something, applied for something or just simply had to put up with me bouncing 1001 ideas off her. Thank you to her.

2017 promises to be as exciting. We are having some work done over the holidays so when you come back our school should look great and be more inviting than ever. Our Year 7/8's will again be in the Mission Centre with Mrs Parker; Year 5/6's will have both the current Room 3 and 4 classrooms with Mr Halkett; and Years 1, 2, 3/4's will be next to each other in the junior block with Miss French, Mrs Jones and Miss Mapley respectively. All decisions on classes have been carefully considered and made with the best interests of all students. 2018 may see teachers shuffle again but we will look at that next year. We have one new staff member coming on board and many exciting opportunities planned for 2017. Bring it on!

I apologise for this, my final message for the year, being long and seemingly over the top with positivity, but really, I am just so excited about this school, its students and families, community and staff. I/We are truly blessed.

Remember, the best present this Christmas is presence. Be there, smile, enjoy and look after one another.

God Bless

Dallas Wichman
Principal

From The Board of Trustees

Greetings, Tena koutou, Talofa lava, Kamusta.

Earlier this year I was voted in with great honour as your Chairperson on the St Anne's Catholic School Board of Trustees.

So it is my pleasure to introduce myself. My name is Evan Taylor, I am a happy 40 something, married and full time Product Manager for a local electrical tool importer.

My wife Sarah and I have three sons who attend St Anne's (Charlie, Oscar and Hugo) and one daughter (Elsie) who is currently in preschool and will start at St Anne's in 2017. I have a busy life but always make room for the kids and their activities.

This is my first time on a School Board and I have learned so much about our lovely school, teachers, parish and community. Our school has had a wonderful year with much that has happened, and will soon happen, such as the introduction of our very successful first School Spring Fair fundraiser, Scooter area (soon anyway), the appointment of Josh Halkett to a permanent teaching position, rubbish-less lunches, and also the introduction of class attendance at Parish Masses to the surprise and delight of all. Plus, we now have Kidsbase for before and after school care!

On behalf of the Board of Trustees, I'd like to thank all the teachers and staff that help make this a great school with an awesome friendly learning environment.

Thanks to the Parents and Friends Association for all their help and support which is enormously welcomed! Without their support we would not be able to fast track some of the cool events they help assist with.

A special thanks to Fr Dan and the parish, for helping with the students RE and class Masses throughout the year.

Thank you to all the students and especially our seniors who are graduating. Your teachers and parents must be very proud of you. May you all enjoy your next adventures at high school.

On behalf of your schools Board of Trustees, I'd like to wish everyone a very Merry Christmas and a safe and happy holiday!

Take care.
Evan Taylor
BOT Chair

From The Parents & Friends Assn

What a year for the PFA!! We've had a busy year organising fundraising activities for everyone including: The Easter Raffles, St Patrick's Day Mufti and sausage sizzle, bacon fundraiser, Winter Wonderland disco, Spring Fair, quiz night and various other mufti days, all of which have contributed towards the scooter park currently being constructed by 'Canterbury Diggers'. I am so excited to see it (hopefully) completed for the start of school next year.

I would like to thank all the committee members, especially our treasurer, Penny and secretary, Sharyn for volunteering their time to help fundraise for our students and helping me ease into my new role as chairperson.

I am really enjoying the role of chairperson and hope to make a positive impact on student and school life and I am looking forward to what the next year brings. We're always looking for new members to join us, so, if you're interested, please join us for our AGM on Tuesday 28 February 2017 at 7pm in the staffroom. There is no obligation to join but you may like to find out what we are all about.

Have a Merry Christmas and we hope to see you next year!

Many thanks
Jasmine Clarke
PFA chair

Farewell Assembly

You are invited to our Farewell Assembly tomorrow, Friday 16 December. It will be led by Rooms 3 and 4, and will be in the hall tomorrow, @ 11.00am. School will finish for the year at the conclusion of the assembly at approximately 12noon. Please remember to make arrangements for your children to be picked up by 12.10pm or for them to go to Kidsbase.

BEFORE SCHOOL AND AFTERSCHOOL

ENROLMENTS ARE OPEN NOW!!!!

Visit www.kidsbase.co.nz for full enrolment details and forms or pick up an enrolment pack from the St Anne's School office

Our fun and friendly programmes are loaded with lots of games, activities and equipment to ensure that all the children who attend Kidsbase programmes want to keep coming back.

Before School 7:30am – 8:30am (\$10) & Afterschool 3:00pm – 6:00pm (\$17)

Please be aware that the website says \$20 but St Anne's has a reduced rate of \$17.

All Kidsbase programmes are Child Youth and Family approved which means that WINZ subsidies are available to assist with the programme costs. This can bring the overall cost down to as low as \$2 for the afterschool session and \$5 for the before school session.

For more information and enrolment details please contact,
Ph: 03 354 2906, email accounts@kidsbase.co.nz or visit
